ASSIGNMENT AND ASSUMPTION

SURFACE TRANSPORTATION BOARD

TRINITY RAIL LEASING IV LP., a Texas limited partnership (the "Assignor"), in consideration of the sum of ten dollars (\$10.00) and other good and valuable consideration, hereby transfers, assigns and otherwise conveys and grants to TRLIV 2004-1C Railcar Statutory Trust, a Connecticut statutory trust (the "Owner Trust"), acting through U.S. Bank Trust National Association, a national banking association, not in its individual capacity except as expressly provided therein but solely as Owner Trustee (the "Owner Trustee"), under the Trust Agreement (TRLIV 2004-1C), dated as of September 28, 2004, by and between the Owner Trustee (in such capacity) and The Fifth Third Leasing Company, an Ohio corporation (the "Owner Participant"), all of its right, title and interest in and to the Existing Equipment Subleases set forth on Schedule I hereto and any and all income and proceeds thereof arising on and after the date hereof. This assignment is made pursuant to the Participation Agreement (TRLIV 2004-1C), dated as of September 28, 2004 (the "Participation Agreement"), by and among the Assignor, Trinity Rail Leasing Trust II, a Delaware statutory trust, Trinity Industries Leasing Company, a Delaware corporation, Trinity Industries, Inc., a Delaware corporation, the Owner Trust, the Owner Trustee, the Owner Participant, Wilmington Trust Company, a Delaware banking corporation, not in its individual capacity except as expressly provided therein but solely as pass through trustee under the Pass Through Trust Agreement, and as trustee under the Indenture, and Ambac Assurance Corporation, as Policy Provider.

The Assignor hereby warrants to the Owner Trust and its successors and assigns that at the time of assignment of the Existing Equipment Subleases, the Assignor has legal and beneficial title thereto and good and lawful right to assign such Existing Equipment Subleases free and clear of all Liens (other than subleases of the Existing Equipment Subleases by the Sublessees as expressly permitted by the Existing Equipment Subleases and other than Permitted Liens of the type described in clauses (ii), (iii), (iv) and (v) of the definition thereof), and the Assignor covenants that it will defend forever such title to the Existing Equipment Subleases against the demands or claims of all Persons whomsoever (including, without limitation, the holders of such Permitted Liens) based on claims arising as a result of, or related or attributable to, acts, events or circumstances occurring prior to the assignment of the Existing Equipment Subleases by the Assignor hereunder. Notwithstanding the provisions above and its and the Owner Trust's intent that the Assignor transfer, assign and otherwise convey and grant to the Owner Trust all right, title and interest of the Assignor in the Existing Equipment Subleases, as a precaution only, in the event of any challenge to this Assignment and Assumption as being in the nature of an absolute assignment rather than a financing, the Seller hereby also grants the Owner Trust a security interest in the Existing Equipment Subleases. Such grant of a security interest does not constitute an admission or acknowledgment that the transactions contemplated by the Participation Agreement provide that this Assignment and Assumption is other than a transfer, assignment and otherwise conveyance and grant to the Owner Trust of all right, title and interest of the Assignor in the Existing Equipment Subleases.

Terms used herein with initial capital letters and not otherwise defined shall have the respective meanings given thereto in Appendix A to the Equipment Lease Agreement (TRLIV 2004-1C), dated as of September 28, 2004, between the Assignor, as Lessee, and the Owner Trust, as Lessor.

The Owner Trust hereby assumes, and agrees it is unconditionally bound in respect of, as of the Closing Date, all duties and obligations of the Assignor under the Existing Equipment Subleases.

This Assignment and Assumption shall be governed by and construed in accordance with the laws of the State of New York, including, without limitation, Section 5-1401 of the New York General Obligations Law.

This Assignment and Assumption shall be binding upon and shall inure to the benefit of, and shall be enforceable by, the parties hereto and their respective successors and assigns as permitted by and in accordance with the terms hereof. Except as expressly provided herein or in the other Operative Agreements, no party hereto may assign their interests herein without the consent of the parties hereto.

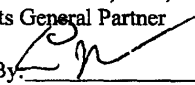

The Assignor will duly execute and deliver to the Owner Trust such further documents and assurances and take such further action as the Owner Trust may from time to time reasonably request or as may be required by applicable law or regulation in order to effectively carry out the intent and purpose of this Assignment and Assumption and to establish and protect the rights and remedies created or intended to be created in favor of the Owner Trust hereunder, including, without limitation, the execution and delivery of supplements or amendments hereto, in recordable form.
